

## **Sending 12-Lead ECGs Out for Interpretation**

Development Date:	April 14, 2019	Reviewed/Revised Date:	October 28, 2019
Intended Users:	CHNs, Nurse Practitioners, EMR Scanning Clerks		

<b>STEP:</b>	<b>PROCESS:</b>
1.	Acquire the 12-Lead ECG (Ensure the patient's demographics are on the ECG).
2.	Complete the "ECG Interpretation Submission Slip" under Forms in the EMR.
3.	Print off the "ECG Interpretation Submission Slip" and attach it to the ECG with a paperclip.
4.	Give the ECG to the EMR Scanning Clerk. The ECG will be scanned into the patient's EMR.
5.	Fax for interpretation following nursing station process.
