COVID-19 in Ontario

- [Emergency orders](#) are renewed to at least 10 July 2020 and the provincial state of emergency continues

Public health measures like physical distancing, hand hygiene and respiratory etiquette remain very important

- You are encouraged to avoid crowds and close contact as much as possible
 - Stay home except for essential errands and outdoor exercise
 - Stay 2 metres from other people when you must go out
 - Opening your '[social circle](#)' to up to 10 people may now be considered – these are people you can have close contact with
 - Wear a [face covering](#) (non-medical mask) when running essential errands where you'll be indoors
 - Stay home and self-isolate if you are sick, feel unwell, or have symptoms that could be COVID-19
- Even though the province has started to reopen we must be cautious, and it is important to reinforce the public health measure that help us control the pandemic

Ministry Guidance Documents

Please check the [Ministry website](#) regularly for the most up-to-date documents

- [Management of Cases and Contacts of COVID-19 in Ontario](#) V8.0 (23 June 2020) has been uploaded to the Ministry website, along with eight appendices

Please note both the [province's](#) and the [ministry's](#) websites are regularly updated, and include information on the status of COVID-19 in Ontario and guidance documents

- Public Health Ontario ([PHO](#)) also provides up-to-date information and information summaries
- For lab information that is up-to-date please visit the PHO lab ([PHOL](#)) website
- The [Onehealth](#) website is also updated regularly

COVID-19 FNIHB-OR Epi report
